

# StatLab newcomer checklist

Shripad Sinari

2013-03-12 Tue

## 1 [0/13] List of things to remember to do @Stat-Lab:

- Get the Bio5 building access from Admin Office (contact Robert Sandoval: Tel #: 520-626-8512).
- Get UA NetID.
- Sign up for Benefits.
- Request an HTC account (UA High Performance Computing / High Throughput Computing).
- Setup you Mac for computing with R and Emacs / RStudio / favourite IDE.
- Get account on StatLab Wiki. Request Juli (jriemen@email.arizona.edu).
- Get a Trello account for intralab collaboration and project tracking.
- Checkout StatLab office supplies board on Trello for any purchase requests to Juli.
- Request long distance calling code from Admin Office (optional).
- Checkout UA parking and transportation for commuting options.
- Subscribe to some interesting Seminars:
  - GIDP Statistics Colloquium. (Contact Rachael Mattull: rmat-tull@email.arizona.edu)
  - Biostat Colloquium. (Contant Laura Brown: shriverl@email.arizona.edu)
